You can check-in[^] as early as one full day in advance* and up to 90 minutes before your scheduled flight departure time during service hours. Passengers with electronic travel documents can also save time by using the Smart Check-in Kiosks at In-town Check-In area to check-in, collect their boarding passes and luggage tags. Starting from 18 January 2024, passengers can proceed to the Self Bag Drop Counter to drop their baggage on their own after completing the check-in process at the Smart Check-in Kiosks, making the whole process even more convenient. (If you use an Octopus to access the Airport Express, your full fare will be deducted at the In-town Check-in entry gate rather than when you board the train.)
