

## Rail Service Suspension – Passenger Guide

港鐵為香港市民提供可靠的公共交通服務，然而，鐵路系統包含了數以百萬計的環節和無數互相配合及長時間運作的零件，因此，故障仍會有機會發生。平均每一百萬轉車程或有可能出現一次嚴重事故，列車服務有可能會中斷。

1. 考慮轉乘其他公共交通工具，如巴士、小巴、電車、渡輪，你可參閱張貼於服務受影響的車站大堂內有關其他公共交通工具的指示圖；同時，在某些情況下，你亦可考慮轉乘港鐵未受影響的路綫或步行到下一個未受服務中斷影響的車站以繼續旅程。

鑑於調配車輛需時，並需視乎當時路面交通情況，我們會致力在列車服務中斷後約45分鐘於受影響並有提供「港鐵免費接駁巴士」之車站為大家提供接駁巴士服務。

- 「港鐵免費接駁巴士」的接載量有限，並需視乎當時接駁巴士的供應情況。敬請於指定的上車處排隊。

我們會致力盡快恢復列車服務，並協助乘客於列車服務中斷時繼續行程。多謝你的體諒和忍耐。

請在出發前（特別是繁忙時段）為行程作好準備，留意電視台或電台有沒有特別的交通消息廣播。

各個車站的其他公共交通工具及「港鐵免費接駁巴士」（如有提供）的資料及路綫已上載於 [www.mtr.com.hk](http://www.mtr.com.hk) 以供參考。

The MTR rail network offers a reliable public transport service to Hong Kong. Nevertheless, the railway comprises millions of precise components that are required to work together over long periods of time. At present about one serious fault requiring partial suspensions in train service might occur for every one million train trips operated.

In the event that you encounter a service suspension while travelling on the MTR network, the following simple steps will help to minimize the inconvenience caused to you and continue with your journey.

1. Consider the alternative public transport options available to you, such as buses, minibuses, trams, or ferries. Map detailing alternative public transport displayed in the concourse of affected stations during a service suspension can provide helpful suggestions. Taking other railway routes or walking to the next MTR station not affected by the service suspension may be a viable option in some cases.

2. Be on the alert for information given out at the station through public announcements, notices posted at entry and exit gates, passenger information display boards, and staff on-site.

3. Free MTR Shuttle Bus Service is a temporary arrangement available at some pre-designated stations to supplement other public transport during a service suspension, connecting you to the next MTR station where train service is operating.

Please keep in mind that in the event of a service suspension, it will take some time to mobilize the Free MTR Shuttle Buses which is also dependent on the road traffic condition at the time. However, we aim to have our shuttle bus service operating around 45 minutes from the time that rail service is suspended at the affected station(s) where available.

- If you have chosen to take the Free MTR Shuttle Bus, please follow the signs directing you to the boarding point.

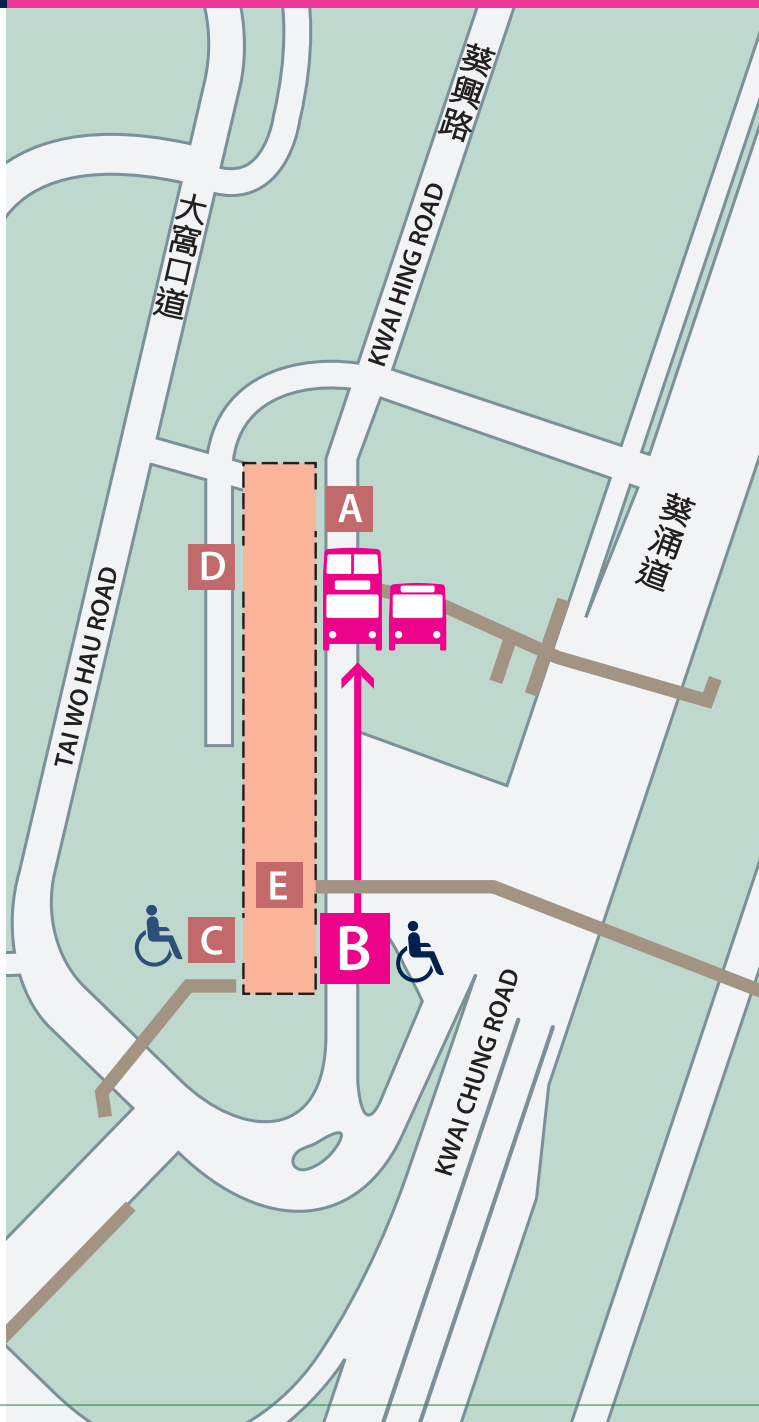

- The capacity of Free MTR Shuttle Bus Service is limited and may depend on the availability of vehicles at the time. We thank you for queuing up for the bus at the designated boarding point.

We are committed to do our best to resume service and help you continue with your journey during a service suspension. We appreciate your understanding and patience.

Always be prepared. Before you begin your journey, especially during peak traffic hours, be on the alert for any special announcement broadcast on major TV and radio channels.

Information about transport options at each MTR station is now available on the MTR website [www.mtr.com.hk](http://www.mtr.com.hk).
