

Remuneration Report

Introduction

The Remuneration Committee has been delegated the authority to consider and recommend to the Board the Company's remuneration policy and the remuneration packages of the non-executive Directors, as well as to review and determine the remuneration packages for the Chief Executive Officer and other Members of the Executive Directorate.

Throughout the year, the Committee met regularly to discuss and approve remuneration issues pertaining to the Company's variable incentive scheme, share option scheme, and also the remuneration packages of the Chief Executive Officer and other Members of the Executive Directorate in the light of the Company's remuneration policy, and to consider and make recommendations to the Board on the remuneration packages of the non-executive Directors. In determining the remuneration of the Chief Executive Officer, the Committee consults with the Chairman and in the case of other Members of the Executive Directorate, the Committee consults with both the Chairman and the Chief Executive Officer in respect of their recommendations.

Currently, the Committee has six non-executive Directors, five of whom are independent non-executive Directors. The Chairman of the Remuneration Committee is an independent non-executive Director. As necessary and with the agreement of the Chairman, the Remuneration Committee is authorised to obtain outside independent professional advice to support the Committee on relevant issues. No individual Director or any of his associates is involved in deciding his own remuneration.

A summary of the work performed by the Remuneration Committee during 2013 is set out in the "Corporate Governance Report" on page 111.

This Remuneration Report has been reviewed and authorised by the Remuneration Committee of the Company.

Remuneration Policy

It is the Company's policy to ensure that remuneration is appropriate and aligns with the Company's goals, objectives and performance. To achieve this, the Company has taken into consideration a number of relevant factors such as salaries paid by comparable companies, job responsibilities, duties and scope, employment conditions elsewhere in the Company and its subsidiaries, market practices, financial and non-financial performance, and desirability of performance-based remuneration.

The Company is committed to effective corporate governance and employing and motivating top quality personnel. The Company also recognises the importance of a formal and transparent remuneration policy covering its Board and Executive Directorate.

Remuneration for Non-Executive Directors

The Remuneration Committee makes recommendations to the Board from time to time on the remuneration of the Members of the Board who are non-executive Directors. The remuneration of non-executive Directors is in the form of annual director's fees.

To ensure that non-executive Directors are appropriately remunerated for their time and responsibilities devoted to the Company, the Committee undertakes periodic reviews and considers the following factors as they put forward recommendations to the Board:

- Fees paid by comparable companies;
- Time commitment;
- Responsibilities of the non-executive Directors; and
- Employment conditions elsewhere in the Company.

Details of remuneration for non-executive Directors are set out in note 10 to the accounts.

Remuneration for Employees

The Company's remuneration structure for its employees, including the Chief Executive Officer and other Members of the Executive Directorate, comprises:

- Fixed compensation – base salary, allowances and benefits-in-kind (e.g. medical);
- Variable incentives – discretionary award; performance-based payment and other business-specific cash incentive plans;
- Long-term incentives – e.g. share options; and
- Retirement schemes.

The specifics of these components are described below.

Fixed Compensation

Base salary and allowances are set and reviewed annually. The annual review process takes into consideration the Company's remuneration policy, competitive market positioning, market practice, as well as the Company's and individuals' performance. Benefits-in-kind are reviewed as and when appropriate taking into consideration market practices.

Variable Incentives

The Chief Executive Officer, other Members of the Executive Directorate and selected management of the Company are eligible to receive an annual cash incentive under the Company's Variable Incentive Scheme, the rules of which are regularly reviewed by the Remuneration Committee.

Under the current scheme rules, the payouts are based on the performance of the Company and individual performance. The Company's performance is measured by both financial and non-financial factors including:

- Return on fixed assets;
- Rolling three-year operating profit;
- Fulfillment of the Customer Service Pledges; and
- Fulfillment of Performance Requirements in relation to "Train Service Delivery", "Passenger Journeys on Time" and "Train Punctuality" as defined in Schedule 2, Part 1 of the Operating Agreement.

Payouts will be automatically reduced if the Company does not achieve any one or more of the Performance Requirements. They will also be adjusted subject to the Company's achievement of all the Customer Service Pledges.

Following the end of each year, the Company engages an independent expert to conduct a review and audit of its performance versus the Performance Requirements and Customer Service Pledges. The results of this audit are shared with the Remuneration Committee to determine if adjustments to the payouts under the scheme are appropriate.

Individual performance ratings are part of the thorough annual performance assessment process that is applied throughout the Company. The performance ratings and assessments reflect the full range of factors over which the individual has accountability, including operational, other non-financial and financial factors. Individual performance ratings for the Members of the Executive Directorate are determined by the Chief Executive Officer, and the performance for the Chief Executive Officer is assessed by the Chairman.

A portion of the target incentive levels under the scheme was originally funded by participants by foregoing their 13th month pay and portions of their fixed allowances. If performance exceeds pre-defined threshold standards, then payouts under the scheme are made annually. Target incentive levels for the Chief Executive Officer and other Members of the Executive Directorate represent approximately 15-30% of total remuneration.

In addition, the Company operates other business-related incentive schemes to motivate the staff concerned to reach specific business targets of the Company.

Discretionary Awards

In 2013, special discretionary awards were provided to staff with competent or above performance, including the Chief Executive Officer and Members of the Executive Directorate, as a recognition of their contribution to the Company's good performance and achievements in the past year and to motivate staff to strive for continuous business growth.

Long-Term Incentives

During 2013, the Company maintained two share option schemes, namely the New Joiners Share Option Scheme (the "New Option Scheme") and the 2007 Share Option Scheme (the "2007 Scheme").

Remuneration Report

While options remain outstanding under the New Option Scheme, no new grants were made under this Scheme since the adoption of the 2007 Scheme.

The 2007 Scheme was approved and adopted by shareholders at the Company's Annual General Meeting on 7 June 2007. The 2007 Scheme is intended to provide employees of the Company and its subsidiaries the opportunity to participate in the growth and success of the Company. Awards under this Scheme were granted to selected employees of the Company in 2013. The Scheme continues to include a provision which specifies that options cannot be exercised under the Scheme unless the Company has satisfied each of the three Key Performance Requirements included in the Operating Agreement in order for any options to be exercised.

Options exercised and outstanding in respect of each Member of the Executive Directorate as at 31 December 2013 under the two Schemes are set out under the paragraph "Board Members' and Executive Directorate's Interests in Shares" of the Report of the Members of the Board. Under the terms of the 2007 Scheme, no new grants of options can be made thereunder after 5 p.m. on 6 June 2014 ("2007 Scheme Expiry").

Details of the two Schemes and options granted to Members of the Executive Directorate and selected employees of the Company under the Schemes are set out in notes 10 and 49 to the accounts.

As noted in the Corporate Governance Report at page 111, the Remuneration Committee conducted a thorough review of the Company's long-term incentive arrangements and approved the framework of a new long-term incentive scheme to take effect following the 2007 Scheme Expiry, subject to approval by the Board.

Mr. Jay H Walder, the Company's Chief Executive Officer, did not participate in the New Option Scheme. He is entitled to an equivalent value in cash of 300,000 shares in the Company following 30 June 2014, being the date on which his initial term of office is expected to expire (35% of which is deemed to be earned at 31 October 2013 subject to certain conditions specified in his employment contract).

Mr. Walder's employment contract was renewed with effect from 1 July 2014 until 31 August 2015. He is entitled to receive an equivalent value in cash of 230,000 Shares upon completion of his extended term of office on 31 August 2015.

Retirement Schemes

In Hong Kong, the Company operates five retirement schemes under trust, the MTR Corporation Limited Retirement Scheme (the "MTR Retirement Scheme"), the MTR Corporation Limited Retention Bonus Scheme (the "MTR RBS"), the MTR Corporation Limited Provident Fund Scheme (the "MTR Provident Fund Scheme") and two Mandatory Provident Fund Schemes (the "MTR MPF Scheme" and the "KCRC MPF Scheme") with details as follows:

(a) MTR Retirement Scheme

The MTR Retirement Scheme is a registered scheme under the Occupational Retirement Schemes Ordinance (Cap. 426) and has been granted an MPF Exemption by the Mandatory Provident Fund Schemes Authority (the "MPFA").

The MTR Retirement Scheme has been closed to new employees from 1 April 1999 onwards. It provides benefits based on the greater of a multiple of final salary times service and a factor times the accumulated member contributions with investment returns. Members' contributions to the MTR Retirement Scheme are based on fixed percentages of base salary. The Company's contributions are determined by reference to an annual actuarial valuation carried out by an independent actuarial consulting firm.

(b) MTR RBS

The MTR RBS is a registered scheme under the Occupational Retirement Schemes Ordinance. It is a top-up scheme to supplement the MTR Retirement Scheme for employees who are classified by the Company as staff working on designated projects and who are not on gratuity terms. It provides eligible members with benefits only in the event of redundancy for service accrued up to 31 December 2002, offset by any benefits payable from the MTR Retirement Scheme and other applicable schemes. Members are not required to contribute while the Company's contributions are determined by reference to an annual actuarial valuation carried out by an independent actuarial consulting firm.

(c) MTR Provident Fund Scheme

The MTR Provident Fund Scheme is a registered scheme under the Occupational Retirement Schemes Ordinance and has been granted an MPF Exemption by the MPFA. All benefits payable under the MTR Provident Fund Scheme are calculated by reference to members' own contributions and the Company's contributions, together with investment returns on these contributions. Both members' and the Company's contributions are based on fixed percentages of members' base salary.

(d) MTR MPF Scheme

The MTR MPF Scheme, which has been registered with the MPFA, covers those employees who did not opt for or who are not eligible to join the MTR Retirement Scheme or the MTR Provident Fund Scheme. Both members and the Company each contribute to the MTR MPF Scheme at the mandatory levels as required by the Mandatory Provident Fund Schemes Ordinance (“the MPF Ordinance”). The Company makes additional contributions above the mandatory level for eligible members who joined the MTR MPF Scheme before 1 April 2008, subject to individual terms of employment.

(e) KCRC MPF Scheme

The KCRC MPF Scheme, which has been registered with the MPFA, covers those former KCRC employees who were previously members of the KCRC MPF scheme and are eligible to join the MTR Provident Fund Scheme but opt to re-join the KCRC MPF Scheme. Both members and the Company each contribute to the KCRC MPF Scheme at the mandatory levels as required by the MPF Ordinance.

The executive Directors who were hired by the Company before 1 April 1999 are eligible to join the MTR Retirement Scheme. Other executive Directors are eligible to join either the MTR Provident Fund Scheme or the MTR MPF Scheme.

Mr. Walder, the Company’s Chief Executive Officer, participated in the MTR MPF Scheme. Both the Company and Mr. Walder each contributed to the MTR MPF Scheme at the mandatory levels as required by the MPF Ordinance.

For subsidiary companies in Hong Kong, Mainland of China, United Kingdom, Sweden and Australia, the Group operates retirement schemes established in accordance with, in the case of subsidiaries in Hong Kong, the MPF Ordinance and, in the case of subsidiaries in Mainland of China and overseas, their respective local regulations.
