The Last “MTR x KUMAMOTO” Souvenir Ticket Set “Warmth” Goes on Sale This Sunday

The last “MTR x KUMAMOTO” souvenir ticket set “Warmth” will be available for sale between 17 December and 23 December 2017.

Priced at HK\$150, the “Warmth” set includes a souvenir ticket¹, an exquisite ticket holder and a designated Kumamon robot train.

Customers who purchase “MTR x KUMAMOTO” souvenir ticket sets can enter a lucky draw for a chance to win two round trip air tickets to Japan with accommodation for three nights in Kumamoto prefecture. For details of the lucky draw, please visit www.mtrxkumamoto.com.

In addition, limited edition Kumamon stackable set is also available for purchase at HK\$120 each while stocks last.

The souvenir ticket set and the limited edition Kumamon stackable set will be available for sale on the abovementioned dates from the start of MTR train service at all MTR Customer Service Centres² (unpaid area). Each customer can buy up to two sets per item while stocks last. For details, please visit www.mtr.com.hk, or call the MTR Hotline (2881 8888).

Remarks:

- ¹ The ticket is valid for one single journey on the MTR on or before 31 January 2018 except the Airport Express, East Rail Line First Class, journeys to or from Lo Wu and Lok Ma Chau stations, Light Rail, MTR Bus and MTR Feeder Bus. If the ticket is used to travel to either Lo Wu Station or Lok Ma Chau Station in breach of the Terms and Conditions, the holder is liable to pay the full single journey fare between the station of entry and Lo Wu Station or Lok Ma Chau Station. The ticket will then be returned to the holder for use on a valid journey. Passengers changing lines between Tsim Sha Tsui and East Tsim Sha Tsui stations have to exit and re-enter the system and a new ticket must be purchased for the second stage of the journey.
- ² Except Airport Express, Light Rail, Lo Wu, Lok Ma Chau, Racecourse and Disneyland Resort stations.

- End -

About MTR Corporation

MTR Corporation is regarded as one of the world's leading railway operators for safety, reliability, customer service and cost efficiency. In its home base of Hong Kong, the Corporation operates ten commuter railway lines, a Light Rail network and a high-speed Airport Express link on which about 5.6 million passenger trips are made on a normal week day. Another 5.6 million passenger trips are made on the rail services it operates outside Hong Kong in the Mainland of China, the United Kingdom, Sweden and Australia. In addition, the Corporation is involved in a range of railway construction projects as well as railway consultancy and contracting services around the world. Leveraging on its railway expertise, the Corporation is involved in the development of transit-related residential and commercial property projects, property management, shopping malls leasing and management, advertising media and telecommunication services.
