

New Pedestrian Subway and Entrance at MTR Tsim Sha Tsui Station Enhance Connections

A brand new Carnarvon Road Subway and Entrance/Exit D3 at MTR Tsim Sha Tsui Station are open for public access today (30 November 2018). Connected to K11 Art Mall, the new pedestrian walkway and entrance provide members of the public with a convenient and weather-proof crossing underneath Carnarvon Road. This new pedestrian access will further enhance the connectivity between MTR Tsim Sha Tsui Station and nearby areas to relieve the heavy pedestrian flow at the southern end of Tsim Sha Tsui Station concourse and Mody Road Subway.

Officiating at today's opening ceremony were (from left) Mr David Chan, Operations Manager - Kwun Tong Line & Tsuen Wan Line of MTR Corporation; Mr Chris Ip, Chairman of Yau Tsim Mong District Council; Ms Kwan Sau-ling, Vice Chairman of the Traffic, Transport and Housing Committee of Yau Tsim Mong District Council; and Ms Judy Lam, General Manager, Operation of K11 Concepts Limited.
