20 January 2024

MTR Enhances Regular Train Services on Five Railway Lines during Non-peak Hours Starting from Next Monday 228 Extra Train Trips to be Added Weekly

MTR Corporation will enhance the regular train services on the Tseung Kwan O Line, Tuen Ma Line, South Island Line, Tung Chung Line and Disneyland Resort Line during some of the non-peak hours starting from next Monday (22 January 2024). A total of 228 additional train trips will be operated each week, facilitating passengers' travels with convenience.

For the Tseung Kwan O Line, from Monday to Thursday, the train frequency between Tiu Keng Leng and LOHAS Park stations will be increased from about every 12 minutes to about every 10 minutes from 8 pm to 12 midnight, while train frequency between North Point and Po Lam stations will be increased from about every 6 minutes to about every 5 minutes for the same period. Service intervals of the South Island Line during 4 pm to 5 pm on Monday to Friday will be enhanced from about 6 minutes to about 5 minutes.

Meanwhile, train frequencies of the Tuen Ma Line from 1:15 pm to 4:30 pm on Saturdays will be increased from about every 7 minutes to about every 6 minutes. For the Tung Chung Line, on Saturdays, Sundays and public holidays, trains will run more frequently from about every 7 minutes to about every 6.5 minutes from 10 am to noon and 5 pm to 7 pm.

On days that Hong Kong Disneyland opens to visitors, service intervals of the Disneyland Resort Line will be enhanced during two periods, from 6:15 am to 7:25 am and from 10:30 pm to 12:45 midnight, and train frequency will be increased from about every 20 minutes to about every 10 minutes. (Please refer to the annex for details of the train service enhancements.)

The Corporation has been closely monitoring the operations of rail lines, passengers' travelling patterns and ridership. We will continue to suitably enhance and adjust train service based on actual demand and train operations.

-End-

About MTR Corporation

To Keep Cities Moving, MTR makes encounters happen and rendezvous for a more connected tomorrow. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with 45 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 50,000 dedicated staff*, MTR carries over 10 million passenger journeys worldwide every weekday in Hong Kong, Mainland China, Australia, the United Kingdom and Sweden. Together, we Go Smart and Go Beyond.
