

SHIPPING, INSPECTION AND PACKING INSTRUCTIONS

1. Inspection and Release for Delivery

- 1.1 The MTR Corporation Limited (MTRCL) reserves the right to request for test result/ quality documentation or to conduct pre-shipment inspection of all or any of the items at the manufacturer's premises prior to packing.
- 1.2 For the items classified as "Safety Critical" and/or "Service Critical" in Purchase Order or otherwise requested by MTRCL,
- 1.2.1 pre-shipment inspection by MTRCL's authorized representative at manufacturer's premises is required;
- 1.2.2 no shipment is to be arranged without prior approval with "Release Certificate" or "Dispatch Authority" from MTRCL's authorized representative; and
- 1.2.3 the supplier is required to notify the MTRCL's authorized representative by completing a Request for Inspection & Dispatch Form (RID, Appendix 1) and returning it by Email to or in writing to MTRCL's authorized representative: -
- For Asia or Oceania Region MTRCL - Project Quality Office
Fo Tan Railway House
No. 9 Lok King Street, Fo Tan
Shatin, N.T.
Hong Kong
- Tel No.: (852) 2688 1894
Email: pjqc@mtr.com.hk
- For Other Regions MTRCL - UK Rugby Quality Assurance Office
Suite 5, Eleven Arches House
Leicester Road, Rugby
Warwickshire CV21 1FD
England
- Tel No.: (44) 01788 820100
Email: ukoffice@mtrcuk.co.uk
- 1.3 The supplier shall accede to any request by MTRCL to inspect, witness and/or test any Goods during manufacture, processing or storage at the premises of the supplier or the sub-contractor or the manufacturer or any third party prior to packing or despatch to MTRCL, and the supplier shall arrange for the inspection, witness and/or testing within a reasonable time after receipt of the request from MTRCL and shall arrange MTRCL's authorized representative to gain access to the inspection site and provide with all facilities reasonably required to carry out the inspection and testing. The supplier shall advise the MTRCL's authorised representative of the date of inspection at least 14 days in advance.
- 1.4 The supplier shall provide the information required by MTRCL's authorized representative (e.g., the test or measurement to be carried out in manufacturer's premises, relevant certificate, quality check report or inspection report). The supplier shall discuss with MTRCL's authorized representative for the arrangement of necessary inspection documents, in particular for those critical in-process inspection before completion of manufacturing.
- 1.5 Following satisfactory inspection, a "Release Certificate" or "Dispatch Authority" will be issued by the MTRCL's authorized representative.

2. Shipping Marks

2.1 For all MTRCL consignments, please use the standard "shipping marks" as below:

2.2. The marks must be stencilled in a conspicuous position on at least two sides of the outer packaging, in a contrasting colour.

2.3. The designated PO No. must be shown inside the triangle.

2.4. Gross Weight, Net Weight, Dimensions and Case No. must be shown.

3. Name of Consignee and Delivery Address on the Airway Bill or Bill of Lading

3.1 For all MTRCL shipments, please mark the Consignee's name and address on the document as:

MTR Corporation Limited
MTR Headquarters Building
Telford Plaza, Kowloon Bay
Hong Kong

If the **delivery address is different from the Consignee's address** according to the PO, supplier should then clearly write and indicate the delivery address on the document.

3.2 For those shipments that are not under MTRCL's PO or Contract, please confirm with your client the consignee and delivery address respectively before the shipment.

4. Consolidation and Packaging

4.1 Consolidation of MTRCL orders into one consignment will be much appreciated. However, NO shipment consolidation is allowed for orders with different delivery locations or urgent requirement.

4.2 The supplier shall ensure that the goods are adequately packed in accordance with recognised international shipping standard against condensation, water ingress and rough handling. In general the packing should include an internal waterproof barrier where the items are placed in an hermetically sealed, evacuated aluminum laminated film or high density polythene bag containing the required amount of silica gel followed by an external package made of close boarded (certified insect free) timber crate lined with bitumen impregnated paper. Environmental friendly or recycled materials should be used wherever practicable.

4.3 In case of small and loose material or parts, it must be packed in PVC or plastic bags with waterproof function before crated into box or package. If possible, transparent bags are preferred for visual inspection purpose.

5. MTRCL Nominated Freight Forwarders

- 5.1 MTRCL has appointed his own freight forwarders. For shipments where freight cost is to be borne by the Corporation, suppliers should contact the following nearby Freight Forwarders for shipment arrangement. Other unauthorized arrangement will not be accepted unless agreed by the MTRCL in writing. And goods so arranged by the supplier will either be rejected or if we accepted, its related forwarding charges will deem to be borne by the supplier.
- 5.2 Air Freight and Sea Freight – represented by Toll Global Forwarding (Hong Kong) Ltd (Toll Global) and its worldwide agents. Please refer to **Appendix 2** for detailed contact information.
- 5.3 Courier – represented by TNT Express Worldwide (HK) Ltd (TNT) and its worldwide agents. Supplier should fill up the “**MTRCL Overseas Courier Order Placement Form**” (see **Appendix 3**) for parcel collection placement and send the completed form to TNT via email to Elaine.Chan@tnt.com with a subject heading of “**MTRCL Overseas Courier Order Placement**” for easy identification.

6. Freight Mode of Transport

Unless specified in MTRCL PO or agreed by the Corporation, supplier should follow the following guidelines for freight mode selection if the shipment freight cost is to be borne by MTRCL:

- 6.1 Air Parcel Post
For small items and documents, air parcel post may be preferred if the air parcel postage is considered lower than the courier service.
- 6.2 Courier (Economy Express Service)
For consignment weighing at or **BELOW 100 kg chargeable weight**. Please also see 5.3 above.
- 6.3 Air Freight
For consignment weighing **BETWEEN 100 kg and 200 kg chargeable weight**. Please also see 5.2 above.
- 6.4 Sea Freight
For consignment weighing **OVER 200 kg chargeable weight**. Please also see 5.2 above.
- 6.5 Urgent Air Freight
In URGENT cases, upon our written request or confirmation, airborne goods or consignment **OVER 200 kg chargeable weight** is allowed. Please also see 5.2 above.

7. Shipping Advice and Documents

- 7.1 Supplier is requested to provide a full set of shipping document (see below) to Toll Global (or its agents) or TNT while departure of the shipment.
- 7.2 Shipping document include but not limited to the following:
- (a) Airway Bill or Bill of Lading,
 - (b) Proforma / Sale Invoice, and
 - (c) Packing List.

Note: PO No., Contract No. and Discrepancy Report (DR) No. if any, should be printed on these documents.

- 7.3 Supplier should send shipping document (see above) together with shipment details to MTRCL by fax or email after the cargo collection by the shipping agent. The shipment details should include:
- (a) Bill of Lading No., Airway Bill No. or Courier Tracking No.
 - (b) Name of Carrier / Vessel, Flight No. or Voyage
 - (c) E.T.D and E.T.A. H.K.
 - (d) Shipping Port and Country Name
 - (e) Consignment Value
 - (f) Goods Description, MTRCL PO No., Contract No. and DR No. if any
- 7.4 For shipments where freight cost is borne by the supplier, released Bill of Lading is recommended. Supplier should ensure that at least one original Bill of Lading must reach our shipping team before the vessel arrival in Hong Kong. Supplier will deem to be responsible for any overdue warehouse cost that was caused by late or misplacement of the Bill of Lading.
- 7.5 Please address all shipping documents / correspondences and all other shipping enquires to:
- System & Logistics Team
Procurement & Contracts Department
