

【Shenzhen】 7,000 m² rainbow fantasy wonderland

A paradise for letting off steam!

	Located in Longgang District, Nubia Fantasy Park is a large outdoor parent child amusement park covering more than 7,000 square meters. Adopting a rainbow theme, the park is equipped with slides, rope nets and a sandpit, all bursting with vibrant colours. The sandpit is styled as a romantic pink “sea of sand”, creating a fairy-tale atmosphere.
	Apart from traditional rides such as bumper cars, the park also features a special “Non-Powered Zone” bringing together more than 30 attractions. Children can climb the colourful 100-metre slide and enjoy the thrill of sliding down.
	Scale the four-metre-high transparent skywalk to test their courage, or unleash their creativity in the giant building block area to build a dream world of their own. With flexible ticket packages, you can select your favourite attractions and enjoy unlimited access, allowing children to run, climb and explore to their heart’s content, burning off all that energy! After all the exhilarating fun, it is time to head to “Little Pet Paradise” for a bit of relaxation. Although you can’t feed the animals, children can get up close and personal with the bunnies, ducklings and lambs. By observing and gently stroking them, they can experience the soothing comfort these little creatures bring, putting the perfect finishing touch to this magical journey.
