

**【Shenzhen】 Exotic café & photography base**  
**All-day dreamlike scenes for effortless cinematic shots !**

In recent years, Shenzhen has seen a craze for rooftop cafés. These cafés focus less on coffee or cuisine and more on becoming the city's most dreamlike "Instagram spots" for social media feeds. Among them, Pink Me Café & Photography Base stands out as a prime example.

Inside the shop, multiple miniature themed scenes are carefully created. Stepping inside, you are greeted by a Moroccan desert fortress, its fine sand pool shimmering with golden light.

Turning around, you will find yourself surrounded by golden ginkgo trees, straight out of a Korean drama.

Moving a little further, cherry blossoms and Japanese street signs come into view, instantly transporting you to snow-covered Hokkaido. As night falls, each scene transforms into a carefully crafted mini photo spot. The café also offers rentals of traditional costumes from various countries and professional photography equipment, allowing you to effortlessly create cinematic shots from morning to night.

To capture your own private rooftop photo collection, keep 2 points in mind:

1. Scenes rotate seasonally, so confirm your preferred background with staff in advance;
2. Avoid weekends, holidays, or peak hours unless you are ready to edit your photos.
