

**【Shenzhen】 A dreamlike play paradise
20,000 m2 of family fun!**

With branches across Shenzhen, Mitou Kingdom is one of the city's largest playhouse brands. Its branch at Yitian Holiday Plaza, Lo Wu is particularly popular. Opened in mid-2025, it is inspired by the theme "Forest of Flowers", featuring 5 nature elements, namely flowers, valleys, clouds, sounds, and waterfalls, to create a dreamy, fairy-tale atmosphere.

With an area of 20,000 square metres, Mitou Kingdom offers more than standard facilities like ball pits, basketball machines, and remote-controlled cars.

Its three must-try attractions: Flying Theatre, Bumper Car Arena, and VR UFO are the highlights. Flying Theatre delivers stunning naked-eye 3D visuals; Bumper Car Arena is perfect for family fun, while VR UFO offers an exciting amusement ride experience. Other facilities include the popular "Grid" floor game, a climbing wall, and KTV rooms, with complimentary massage chairs available for adults to relax.

After a day of fun, visitors can recharge at the mall's wide range of dining options, including Chinese, Western, and Japanese cuisines. The highlight is "Marine Buffet", known for its freshly caught seafood hotpot. Alongside staples like prawns and abalone, seasonal delicacies such as hairy crabs, snow crabs, and blue lobsters are cooked on the spot. Children can also join in the fun, making it both entertaining and delicious.
