

【Shenzhen】 A must-visit for Labubu fans!
A fun and dreamy photo hotspot!

Entering Siam Essence is like stepping into a dream world. Complemented by the eye-catching jacaranda mimosifolia, the trending Labubu dolls have become a regular theme at the restaurant. Fun and romantic, this stunning photo spot surely is unbeatable!

As the first restaurant in Shenzhen to offer free Labubu birthday decorations, Siam Essence allows customers to book in advance and enjoy a dining area fully surrounded by Labubu elements. Even if you can't buy a doll, you can still find some around to pose with.

With its particularly mesmerising starry glass room, the restaurant resembles a secret garden. It also offers various themed decorations in different styles for reservation, perfect for dates, gathering with friends and birthday parties. It can even turn an ordinary meal into an unforgettable experience.

Led by a Thai chef with 40 years of experience in Thai cuisine, the restaurant adheres to traditional Thai cooking techniques, using spices flown in from Thailand. A must-try dish, the siphon pot tom yum soup is slowly cooked for 12 hours. Its sour and spicy flavour, paired with the fresh taste of seafood, is sure to be appetising.

Don't miss the Thai royal traditional curry with green crab, featuring large, tender crab meat in flavourful curry. The exquisite dishes are served in an elegant environment, making Siam Essence well worth a visit. On Friday and Saturday evenings, violin performances are held to complete the experience with candlelight and music.
