

## 【Shenzhen】Universiade Centre Family fun with pets and playhouse!

	<p>Located in Longgang, Universiade Centre is a shopping mall built around a lake and situated inside a park.</p>
 	<p>Surrounded by rich and diverse natural scenery, it is home to adorable animals such as black swans, spotted deer and blue peacocks, where they roam freely outdoors. Children can observe the habits of these animals up close while experiencing the wonders of nature.</p>
 	<p>The Pet Village (寵物部落) inside the mall is also popular among adults and children alike. Apart from cute cats and dogs, there are also creatures that are less commonly encountered, such as lizards and spiders. Through interacting with these small animals, children can develop a sense of love and responsibility, while learning more about reptiles. Xiyatu (嘻鴨塗) is a great spot for parents to let their little kids catch fish and play in the sand, especially suitable for toddlers under two years old.</p> <p>The mall also offers the “Meland club” indoor playground, a great option for kids to have fun. There they can take on different social roles, learn about life, and play role-playing games in a simulated experience area, which includes a supermarket, a kitchen, and a farm. In the sports area, children can play with trampolines, ball pits, ball launchers and slides, so that they can improve their coordination and physical abilities while having a great time. The mall also features a wide range of shops offering minors clothing, minors footwear, toys and baby products to meet parents' shopping needs for their kids.</p>
