

**MTR Cares about the Community
Collaborates with Non-government and Charity Organisations
to Fight Against the Pandemic**

MTR Corporation announced earlier that its Board Members and Executive Directors would donate part of their remuneration to ride out the tough times together with the public amidst the pandemic. The donation has been made to Heep Hong Society, Gingko House Love Project, Food Angel, ImpactHK and Hong Kong Family Welfare Society to provide hot meals, food coupons, temporary shelter and learning support for the needy since June, whereas The Community Chest of Hong Kong will use part of the proceeds to continue supporting those in need through “The Community Chest Anti-NCP Rainbow Fund”. (Please see the donation details in the Annex)

The total donation amount is around HK\$4.3 million.

MTR volunteers from the More Time Reaching Community Scheme are giving their full support to the organisations through volunteering events. They assisted Heep Hong Society in packing learning kits for students with special educational needs (SEN) so they could learn at home during class suspension. They also provided assistance to the Society’s ‘Pre-primary school workshop’ to help students prepare for classes in mainstream primary schools. In early July, our volunteers also helped Gingko House Love Project in packing and distributing lunchboxes for the needy. Our volunteers will continue to provide full support to the organisations.

“During the pandemic, many people in the community are facing challenges in different aspects of their daily lives. Apart from our fare rebate for passengers and rental relief for tenants, we hope to provide urgent relief to the needy through our donation and volunteer services. We would like to thank our partnering organisations for their efforts in distributing the supplies and assistance for those in need,” said Mr Rex Auyeung, Chairman of MTR Corporation.

MTR Corporation has announced a series of measures to support the community, such as the fare rebate for passengers and rental relief for some tenants at MTR malls and stations, as well as the donation of over 100,000 surgical masks for the needy and organisations through The Hong Kong Council of Social Service. MTR Corporation will continue to support the community and make efforts to tide us over the challenges amidst the pandemic.

-End-

About MTR Corporation

Every day, MTR connects people and communities. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with more than 40 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 40,000 dedicated staff*, MTR carries over 13 million passenger journeys worldwide every weekday in Hong Kong, the United Kingdom, Sweden, Australia and the Mainland of China. MTR strives to grow and connect communities for a better future.
