

**Dr Jacob Kam Re-appointed as MTR Chief Executive Officer**

The MTR Corporation is pleased to announce the Board has re-appointed Dr Jacob Kam as the Chief Executive Officer of the Corporation for another three-year term, with effect from 1 April 2022.

“MTR remains committed to fulfilling the mission to keep cities moving, despite the challenges in recent years. Under the leadership of Dr Kam, the Corporation continued to provide safe, reliable and efficient railway services to Hong Kong and the cities that it serves during the most uncertain times. The high regards to professionalism and dedication of the MTR team are core to our commitment to customer service excellence and success as a Hong Kong brand,” said Dr Rex Auyeung, Chairman of MTR Corporation.

“I am sure this enterprising spirit will continue to guide the development of MTR as we continue to serve, connect and build communities along the railway network in the years to come,” Dr Auyeung added.

“I am deeply grateful for the Board’s support. And I look forward to continuing to work with the MTR team in serving Hong Kong and contributing to its future development,” said Dr Jacob Kam, Chief Executive Officer of MTR Corporation.

Dr Kam, who has been serving the Corporation for 26 years, was first appointed as the Chief Executive Officer in 2019, with effect from 1 April 2019.

-End-

**About MTR Corporation**

Every day, MTR connects people and communities. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with more than 40 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 40,000 dedicated staff\*, MTR carries over 13 million passenger journeys worldwide every weekday in Hong Kong, the United Kingdom, Sweden, Australia and the Mainland of China. MTR strives to grow and connect communities for a better future.
