29 July 2022

Tung Chung Traction Substation Property Development Tender Award

MTR Corporation Limited (the “Corporation”) announced today (29 July 2022) that the tender for Tung Chung Traction Substation Property Development (the “Development”) has been awarded to Loychance Limited, a wholly owned subsidiary of Chime Corporation Limited (Member of Chinachem Group).

Chime Corporation Limited has been working with the Corporation over the years on various development projects.

The Corporation looks forward to working with the said company to make the Development a success.

About MTR Corporation

Every day, MTR connects people and communities. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with more than 40 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 40,000 dedicated staff*, MTR carries over 13 million passenger journeys worldwide every weekday in Hong Kong, the United Kingdom, Sweden, Australia and the Mainland of China. MTR strives to grow and connect communities for a better future.
