

## MTR Hosted Inclusive Concert to Promote Social Inclusion Culture

MTR Corporation hosted an Inclusive Concert last Friday (23 September 2022) in Telford Plaza, whereby the all-inclusive orchestra True Colors Symphony's musicians Michelle Siu, Yang Enhua, Roy Lin and Ding Yijie were invited to perform music pieces, together with the sharing of their stories in overcoming difficulties. By showcasing the musicians' talent, MTR aims at promoting social inclusion culture.

The Inclusive Concert is one of the activities of "Social Inclusion Week" by MTR Corporation, through which colleagues can provide more caring services to customers with different needs, through a better understanding of the Corporation's social and environmental objectives. This will also strengthen the Corporation's connection with the community through the activities with different social enterprises and non-profit organisations.
