According to the “Service Performance Rebate” arrangement under the Fare Adjustment Mechanism, the Corporation announced earlier that HK\$19.2 million will be set aside for the incident that took place on the Tseung Kwan O Line on 22 May 2025. Combined with the accumulated amount in the funding pool, one “Thank You Day” will be arranged on 13 July 2025. On that day, passengers can enjoy half fare for every trip on the MTR, Light Rail and MTR Bus running in Northwest New Territories with their Octopus, or when they travel with QR code tickets in the heavy rail network. Half fare includes cross-boundary trips running to and from Lo Wu and Lok Ma Chau stations on the East Rail Line and can also be used with any interchange discount, Fare Saver discount and the 25% discount on connecting journeys with Monthly Pass.

The Corporation will deploy extra staff at MTR stations to assist passengers and closely monitor train and station operations to suitably adjust train service and manpower based on actual circumstances.
