MTR Signs Five MoUs to
Explore Opportunities in Belt and Road Markets

MTR Corporation today (10 September 2026) announced the signing of five Memorandums of Understanding (MoUs) with leading enterprises from the Chinese Mainland, Vietnam and Malaysia across various sectors. The agreements will explore opportunities for railway development, transit-oriented development (TOD) projects, and integrated community developments in Belt and Road markets.

The signing ceremony was held during the Belt and Road Summit, highlighting the event's role as an important platform for advancing cross-regional collaboration, connectivity and opportunities under the Belt and Road Initiative. The MoUs cover potential development opportunities across Central Asia, the Middle East and Southeast Asia. MTR's partners include:

- **China Railway Construction (HK) Limited**
  [Rail Transit Projects in Central Asia]

- **CRRC (Hong Kong) Co. Limited**
  [Rail Opportunities in the Middle East]

- **PowerChina International Group Limited**
  [Metro Development in Vietnam]

- **SonKim Land Corporation**
  [TOD Opportunities in Vietnam]

- **Gamuda Land (HCMC) Joint Stock Company**
  [TOD Opportunities in Vietnam]

- **Sovico Group Joint Stock Company**
  [Metro and TOD Opportunities in Vietnam]

The MoUs were signed on behalf of MTR by MTR Mobility Company Limited, a wholly owned subsidiary of MTR Corporation.

Mr David Tang, Managing Director - Property and International Business of MTR Corporation attended and witnessed the signing ceremony. He said, "Guided by our vision of 'Keep Cities Moving', MTR is committed to sharing our end-to-end railway expertise and extensive experience in developing integrated communities with industry partners around the world. These MoUs demonstrate our commitment to building strategic partnerships and exploring new opportunities, enabling MTR to leverage its expertise in railway development and integrated community development as we pursue opportunities in Belt and Road markets."

"Our collaboration with Chinese Mainland enterprises, in particular, brings together the complementary strengths and capabilities of all parties. By joining forces to explore opportunities in international markets, we can create mutual benefits and shared success. These partnerships not only highlight Hong Kong's unique role as a 'super connector' and 'super value-adder', fostering cross-regional collaboration, but also further reinforce the city's position as an important platform for advancing the Belt and Road Initiative," added Mr Tang.

Rooted in Hong Kong and connected to global markets, MTR Corporation continues to leverage its railway and integrated development expertise to support urban growth and connectivity across Belt and Road markets and beyond.

-End-

About MTR Corporation

To Keep Cities Moving, MTR makes encounters happen and rendezvous for a more connected tomorrow. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with over 45 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 46,000 dedicated staff*, MTR carries over 13 million passenger journeys worldwide every weekday in Hong Kong, Chinese Mainland and beyond. Together, we Go Smart and Go Beyond.
