Supplier Code of Practice

This Supplier Code of Practice (the "Code") provides an ethical and behavioural framework for the Corporation's suppliers/ contractors/ consultants (herein collectively noted as Supplier) in Hong Kong and overseas. All Suppliers are required to comply with these guidelines when doing business with the Corporation. Suppliers should ensure communication with their employees for compliance with the Code.

The Corporation reserves the right, upon reasonable notice, to conduct compliance audit with Suppliers on the Code. Any violation of the Code shall be considered a material breach of the contract/order by the Supplier.

1	Ethical Standards The Supplier shall uphold ethical principles for its operation, including:
	• Compliance with all applicable laws and regulations
	• Confidentiality
	• Open and fair competition
	• Anti-bribery and corruption
2	Human and Labour Rights
	The Supplier shall support the principles of, the United Nations Universal Declaration of Human
	Rights, the International Labour Organization Declaration of Fundamental Principles and Rights
	at Work, the OECD Principles of Corporate Governance and the United Nations Global Compact,
	in the following areas:
	• Child Labour
	• Forced Labour
	• Health and Safety
	Wages and Working Hours
	• Discrimination
	• Discipline
	• Freedom of Association
3	Supply Chain Management
	The Supplier shall ensure full compliance with the Code by its own suppliers, subcontractors and
	other business partners.

On behalf of the management and staff, I confirm full compliance with this Supplier Code of Practice (to be signed by the Chairman, CEO, Human Resources Director or a member of Senior Management).
